

CUB SCOUT PACK

Cub Scouting is a program that offers fun, excitement and adventure activities infused with character education and traditional values. It encourages and enables the healthy development of young people through extensive involvement at every transition of life. Of course, the boys just see it as FUN! They participate in pack-wide campouts, pinewood derby races, achievements, athletics, competitions, outings, and adventures. See our Calendar on our web site for a complete schedule of events. There is no obligation - just come and see. Look on the next page for great reasons to get involved with Scouting, a map to University Heights United Methodist Church, and contact information for any questions you may have.

Cub Scouts meet at least twice per month during the school year on Thursdays at 7:00pm ET - once for a Den Meeting and once for a Pack Meeting. Parent(s) join them and also meet the first Thursday each month without the Scouts for a Pack Planning Meeting. Except for planned outings, meetings are held at:

WHY WE BELIEVE IN SCOUTING

"Scouting has afforded me many golden opportunities such as meeting government leaders in Washington, DC and an invite to the home of "The First Man on the Moon" -Neil Armstrong. I've had direction from my father throughout scouting, and I've tried to pass that along, not only to my son, but all Scouts I come in contact with. No other organization affords so many young people an opportunity to learn and grow from within - to be "Physically Strong, Mentally Awake and Morally Straight."

- **Dan Manza, Cubmaster**

"Some of my happiest, positive, and most enduring memories are from scouting. I am deeply grateful to scouting and all my past leaders for their mentorship and guidance. I hope to enable the same experiences for my sons. Our sons need exposure to as many positive role models as possible. As a leader, I hope to be such an influence and impart personal growth, leadership, good decision making, and positive values to the next generations of young men."

- **Gary Guerino, Den Leader, Cubmaster, Pack Committee Chair**

"I was a cub scout, a boy scout and now I am starting my fifth year as a scout leader. Scouting has been a great experience for me at all levels but is especially meaningful at the cub scout stage. In this era of complex schedules and multiple, competing activity options, it is one of the wisest choices you can make for your son. We volunteer our time but are paid back many times over when we see the positive results of teaching the life skills that our kids acquire with smiles on their faces!"

- **Paul Doetsch, Den Leader, Assistant Cubmaster**

"Scouting has given us the opportunity to watch our kids grow and develop in a positive way. They are learning life skills including how and when to "do the right thing". Scouting is a sense of accomplishment and adventure with your family and friends. And most importantly, scouting is FUN FUN FUN with your SON SON SON!!!"

- **Eric Epstein, Den Leader**

"Scouting is one of the greatest investments parents can make in their son's life. The returns go way beyond great fun and learning. Statistics show that Scouts excel in the areas of leadership, achievement and community contribution. Pack 528 is blessed with strong sponsorship and leaders who provide the ideal Cub Scouting environment and which promotes fun, learning, expanded relationships and personal development. The quality of leadership makes all the difference in a Cub Scout pack, and Pack 528 is fortunate to have strong leaders throughout its ranks. As we enter our fifth year with Pack 528, I can not imagine how less fulfilling the last four years would have been for our son, Franklin, had we not had the Pack 528 Cub Scout experiences. We look forward with great anticipation toward Crossing Over next year and embarking on the journey to Franklin becoming an Eagle Scout."

- **Frank Habit, Treasurer**

"The spirit is there in every boy; it has to be discovered and brought to light."

- **Sir Robert Baden-Powell, Founder of Scouting**
